

# ST. EUGENE'S BALLET

Dear Parents,

I am thrilled to offer an after school recreational **ballet program** for the students in grades **kindergarten through fifth** at St. Eugene's School. I have taught ballet in recreation and school programs and at dance studios for over 11 years. The ages of my ballet students have ranged from 3 to 16 years old. My background as a performer in a semi-professional dance company for ten years and as a dancer for over 20 years has provided me with much to offer young dancers.

I have also been an elementary school teacher for the past 15 years. I have a first grade son at St. Eugene's School and a 3 year old daughter who will attend preschool next fall.

My main goal with the children will be to develop a love of dance. In my ballet program, the dancers will develop grace, balance, flexibility, and coordination. The dancers will experience the art of dance in a positive and supportive atmosphere. The ballet program will emphasize both dance technique and the free expression of movement.

The dancers should wear clothing that they can move around in freely, and ballet slippers would be helpful.

Ballet classes will take place on **Thursday** afternoons in the **Art Room** at St. Eugene's School, and will start on **Thursday, January 7<sup>th</sup>**. If your child would like to participate in the after school ballet program, please fill out the bottom portion of this sheet and return it to the school office.

Sincerely,  
Amy Parsons
