

Pilgrim Statue

Once again the visiting "Pilgrim Statue of Mary" will be available to all St. Eugene School families during this school year. This is the twelfth year of the program. The Marian Guild of the Santa Rosa diocese donated two statues to our school in 1990 and we were a pilot school for this program. Since then, more Catholic schools in our diocese have also begun this program.

The family receiving the statue will take everything needed directly from the school office on Monday and return the statue to the school office on the following Monday. The statues are very durable! We ask that special care be given to the boxes and statues. You will be provided with a tote bag with the following:

- Rosaries (for your use)
- A video tape titled, "The Day the Sun Danced"
- A notebook to write your family reflections, special intentions, and personalized drawings from the children

If you would like to participate in this program, please complete the form below and send to the school office. If you need additional information about the program, please contact Nancy Bentham at 575-0581.
